

Ozone Plug-In Compact Air Purifier The Natural Cleaner

The Ozone OC Plug-in fits into any standard 13Amp electrical socket and can deliver background Ozone exactly where it is needed. This unit provides great flexibility and is effective at eliminating any airborne odour. If necessary, it can be used with other OC Plug-in units to cope with both small and larger areas.

Key Features

- "Plug 'n Play" operation
- No environmentally unfriendly chemicals
- Cycle or continuous operation to maintain "odour free" clean fresh air
- Sleek, modern design that can be used unobtrusively in the background
- Low self-maintenance
- Compact for easy moveable use

Typical Applications

The Ozone OC Plug-in is a simple, effective solution to avoid; stuffy meeting rooms, busy offices, medical treatment rooms, bedrooms and small kitchens keeping these areas fresh.

Use anywhere that "fresh air" is needed.
