OC Solo Ozone Generator
Fresh Air Purifier
The Natural Cleaner

The OC Solo Ozone Generator comes with its own standard USB charger and can deliver background Ozone exactly where it is needed. This unit provides great flexibility and is effective at eliminating any airborne odour. If necessary, it can be used with other OC Plug-in units to cope with both small and larger areas.

Key Features

- "charge and play" battery operation
- No environmentally unfriendly chemicals
- Low self-maintenance
- Compact for easy moveable use
- Cycle or continuous operation to maintain "odour free" clean fresh air
- Sleek, modern design that can be used unobtrusively in the background

Typical Applications

The OC Solo Ozone Generator is a simple, effective solution. Can be used to avoid:
Fridge food smells, car smells, clothes/shoe cupboard odours, keeping these areas fresh.
Use anywhere that "fresh air" is needed. The OC Solo will also reduce bacteria and viruses in these areas.
